Find your nearest store and order your section Connect your printer and computer together and turn it on. Place the scanner under the hood of the printer (face to face to scan) in the bottom right-hand corner. Start the scan task using Print Software. Depending on your operating system, do you run one of the following operations to open Printing Software: ? Windows 8: On the Start screen, click the right mouse button on the blank area of the screen, click all apps on the app bar, and then click on the icon with the printer's name. ? Windows 7, Windows Vista and Windows XP: On the desktop, click Start, select All programs, click HP, HP Deskjet series 2540, and then HP Deskjet series 2540. In Print Software, select the Print and Scan tab, then choose To Scan documents or photos in Scanning. You'll see scanning options that you can choose from on the screen.
